

DelDOT - Development Coordination EMAIL-BLAST

Subject:

Updated DelDOT PAS, Specifications, and Details

Effective Date:

February 24, 2022

Notice

Development Coordination would like to inform you, that after several months of collaborative inter-Division work, the following documents were updated and published in 2021:

- [Pedestrian Accessibility Standards \(PAS\) Manual](#)
- [Standard Specifications for Road and Bridge Construction](#)
- [Standard Construction Details](#)

All current projects in design are encouraged to start using the updated versions now; however, it will be required for projects conducting a Pre-Submittal Meeting on or after April 1, 2022.

The Department made effective on November 1, 2021, that all ADA construction inspections will conform to Chapter 5 of the 2021 PAS Manual and a Request for Practical Exceptions (RPE) Implementation will conform to Chapter 6 of the 2021 PAS Manual.

If you have any questions, please feel free to contact the Development Coordination Section at 302.760.2266.
